Out of school care with OSHClub

Officer Primary School is proud to partner with OSHClub to provide quality Rise & Shine, After School Care and Holiday Programs for children and families within our school community.
At OSHClub, we believe children should have opportunities to learn, play, create and build meaningful connections outside of school hours.
Our programs include:

- **Rise then Shine** – Before School Care, providing children with a welcoming and engaging start to their school day.
- **Stay and Play** – After School Care, offering children a range of fun, child-led activities and opportunities to connect with friends.

Our programs are designed to support children's development, wellbeing and individual interests through engaging, child-led experiences. Child safety and inclusion is embedded in our program at Officer Primary School.
